VACCINATIONS: We require that the following vaccinations are current: RABIES CERTIFICATE, DHP, PARVOVIRUS, BORDETELLA, and lastly, a STERILITY CERTIFICATE signed by your veterinarian for altered dogs. Dogs who are vaccinated may still contract a variety of strains not protected by the vaccination. We are not responsible for any veterinarian bills if this is to occur. Please have your dog checked by a veterinarian regularly. Dogs tend to be more stressed while boarding, and it is not uncommon for underlying health issues to surface that may have gone unnoticed prior.

DAYCARE REQUIREMENTS: All dogs must be either spayed/neutered to enter into our daycare areas socially. All dogs must be dog and people friendly. We do not tolerate any aggressive dogs. Please be advised that dogs' behaviors can change in a boarding situation and dominant behaviors can arise. We work with all the dogs to ensure that their stay is safe and enjoyable. If these social requirements are not met, they will be kept separate but will still get their individual walks and attention.

FEEDING: We highly recommend that you maintain your dogs' normal diet in providing your dogs' own food. **Please prepare each meal for your dog into separate zip lock bags.** This will help in preventing stomach issues while boarding. **If you chose not to provide food or forget there is a \$3 charge for our house dog food (Chicken/Rice or Lamb/Rice) -Dry only.**

MEDICAL CONDITIONS/MEDICATIONS: Dogs with medical conditions will need to be approved prior to their stay. You know your dog better than anyone and we ask that you assess your dogs' age and health for there is added stress/anxiety while away from home. Please provide a couple of days extra of medication with clear and easy to follow instructions. In the occurrence that you are not able to pick up on schedule, we will have medication to administer.

BELONGINGS: We do not encourage you to bring your dogs' bed or blanket. Please be aware that dogs' behavior's can change while away from home. We cannot be held liable for chewed, destroyed or lost items. In conclusion, be aware when bringing items with sentimental value. All dogs must have on a nylon or leather collar; NO prongs/spikes please. **NO** flea collars are allowed in daycare areas.

PAYMENT: PAYMENT IN FULL IS REQUIRED BEFORE YOUR DOG IS RELEASED TO YOU, including any incurred charges. No dog will be released to any person other than the owner without authorization.
